Some misapprehensions being found to exist as to the full intent and meaning of the First *Additional* Article of the Native Articles of War, it is hereby notified, for general information, that every Native Officer, Soldier, or other Person, subject to those Articles, who may be under orders for Trial by *any Native Court Martial whatsoever, whether General or other than General*, may, if he so think fit, claim to be tried by an European General Court Martial, according to the special Provisions of the Article in question.

At the same time it is in no way intended that this option should be *pressed* upon the Prisoner; or that he should be *called upon* to decide by which Court he will be tried. He is to be warned in the course, for Trial, in the usual manner, by a *Native* Court Martial; and, should he, of *his own accord* desire to be tried, in lieu thereof, by an European General Court Martial, then the claim, should be forwarded to Head Quarters accordingly; due warning being always given to the Prisoner, in all cases when the Native Court intended for his trial may have been *inferior* to General, of the additional degree of punishment awardable by a *General* Court Martial, and to which, he may subject himself by claiming to be so tried.

This claim must, however, always be preferred *previous to Trial*, and no such request of the Prisoner can be attended to *after* his appearance before the Native Court originally appointed for his Trial.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

13th July, 1829.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, holden at Kamptee on Saturday the 16th day of May 1829, by order of Lieutenant Colonel Charles Farran, Commanding the Nagpoor Subsidiary Force, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. and S. Commander in Chief, are published to the Army.

Ullah Buksh and Dada Sahib, Camp Followers, placed in Confinement by order of the Officer Commanding the Nagpoor Subsidiary Force.

Charge.—For Wilful Murder, in having at Kamptee on the 12th of March 1829, together, of their malice aforethought, assaulted Shaikh Cossim, a Camp Follower, whereupon the said Ullah Buksh held down the said Shaikh Cossim and twisted his left Arm whilst the said Dada Sahib violently struck with his hands the said Shaikh Cossim, upon the Head and Neck and inflicted several mortal bruises, whereof the said Shaikh Cossim died on the 14th of the same month.

The above being within the provisions of Articles VI. Section XII. of the Articles of War.

By order of the Officer Commanding the Nagpoor Subsidiary Force.

Kamptee, 12*th May*, 1829.

(Signed) J. GARNAULT, Captain,
Acting Asst. Adjt. Genl. N. S. Sub. Force.

Having most maturely weighed and considered the whole of the Evidence adduced in support of the Prosecution, together with what the Prisoners Ullah Buksh and Dada Sahib have severally urged in their Defence and the Evidence in support thereof, the Court adverting to the material discrepancies involved in the Evidence for the Prosecution; the interval which elasped between the assault upon Shaikh Cossim and the period of his Death, during a part of which he appeared to suffer no serious inconvenience from the blows he had received, the possibility that he may have swallowed Opium, in consequence of the abusive language he had received; and lastly, the absence of any Inquest upon the Body to ascertain the cause of Death, is of opinion as follows.

Finding on the Charge.—That the Prisoners Ullah Buksh and Dada Sahib, Camp Followers are not guilty of the Charge, and does therefore acquit them of the same.

(Signed) S. BULLOCK, Captain,
Deputy Judge Advocate General,
Conducting Proceedings.

The Mark X of SHAIK DAOOD,
Subadar, and President.

(Signed) H. C. GOSLING, Lieut. 7th Regt. N. I.
Interpreter to the Court.

If upon such Evidence as is here recorded a Prisoner can be acquitted, the guilty may always expect acquittal, as from the trifling discrepancies upon which this Sentence is built such must be ever made allowance for among low and ignorant people, especially at a period a little distant from the facts charged—The main facts, the beating and twisting of the Arm, together with the Death that so shortly followed are proved by abundant Evidence.—The very denial of these facts on the part of the Prisoners (so proved as they are) is an Evidence against the truth of their defence, and against that of the manufactured story of the Opium, which is brought forward on hearsay only, and *positively* contradicted by the Mother. This case may indeed not amount to Murder, but though Death may not have been intended, the violence having evidently been such that it followed—the crime necessarily takes a character nearly approaching to Murder, and if it does not receive a corresponding punishment, the example will be most mischievous. I desire then that the Sentence may be again submitted to the consideration of the Court. That the Judge Advocate will point out to it, the extent of the *positive* Evidence on the record, together with the futility of that given on *hearsay*, and the impropriety he was guilty of in admitting it on the face of the Proceedings, especially contradicted and unsupported as it stood, and he will endeavour to impress upon the Members the necessity of eradicating from their minds any impression they may have received from it—when there can be no doubt they will arrive at a judgment satisfactory to their own conscience and to the public welfare.

Madras, *June 4th*, 1829.

(Signed) G. T. WALKER, Lieutenant General, and
Commander in Chief.

Revised Finding.—The Court having in obedience to the orders of His Excellency the Commander in Chief, maturely re-considered the whole of the Evidence adduced on this Trial, sees cause to annul its former decision and is of opinion as follows.

Finding on the Charge.—That the Prisoners Ullah Buksh and Dada Sahib, Camp Followers, are Guilty of having caused the Death of Shaikh Cossim, by assaulting and striking him in the manner set forth in the Charge, with exception of "Malice aforethought" of which it fully acquits them.

Sentence.—The Court having found the Prisoners Guilty to the above extent, does sentence them the said Ullah Bukh and Dada Sahib, Camp Followers, to be Imprisoned and kept at hard Labour for the period of (2) two years, from such time and at such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) S. BULLOCK, Captain,
Deputy Judge Advocate General,
Conducting Proceedings.

The mark X of SHAIK DAOOD,
Subadar, 47th Regiment N. I.
and President.

(Signed) H. C. GOSLING, Lieutenant,
7th Regiment N. I. Interpreter to the Court.

Confirmed with exception of the "*Hard Labour*" which is not legal in cases of Manslaughter, and is hereby remitted accordingly.

(Signed) G. T. WALKER, Lieut. General, and
Commander in Chief.

The Officer Commanding the Nagpoor Subsidiary Force will take measures to carry the Sentence of Imprisonment against Ullah Buksh and Dada Sahib, Camp Followers, into execution in the usual manner.

General Courts Martial assembled under the Provisions of Article VI. Section XII. of the Native Articles of War are competent to award such Sentences *only* as are in strict conformity to the Laws and Regulations of this Presidency, and Judge Advocates in attendance are required especially to point out to such Courts that, in no case can a punishment be awarded *in excess* of the degree specified for the particular offence in the Table of Crimes and Punishments furnished for their information and guidance.

Commander in Chief.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Narrainen, Private No. 94 in the B or Captain Babington's Company, 36th Regiment Native Infantry, hath urged in his defence, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge.
Finding on the Second Charge.—That the Prisoner is guilty of the Second Charge.
Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Narrainen, Private No. 94 in the 1 or Captain Babington's Company, 36th Regiment Native Infantry, to suffer a punishment of Imprisonment and hard labour in Irons for the period of Seven years, at such place as His Excellency the Commander in Chief may be pleased to direct.

The Charges against Private Narrainen of the 36th Regiment Native Infantry contain two distinct offences, such as could in no possible case legally be brought forward for Trial together.—The first Charge is for a *Military* offence, punishable according to Military usage;—the second Charge is for a *Criminal* offence, punishable according to the Regulations of Government, cognizable by a Military Court only under the special Provisions of Article VI Section XII of the Native Articles of War, and which, in the present instance, should have been made over for Trial to the Civil Magistrate.—As this circumstance necessarily illegalizes the Proceedings, and renders them null and void, the Prisoner will be released accordingly, and the Court is hereby dissolved.

and Commander in Chief.

Although Soldiers may *legally* be tried for a repetition of offences, and altho' Private Sied Booden might so have been brought to trial for disobedience of orders, in the present case, as set forth in the first Instance of Charge, yet the Commander in Chief is of opinion that his Commanding Officer would have acted more *discretely* in considering the original Infliction of 250 Lashes by the Regimental Court Martial to have sufficed, instead of driving the Man to desperation by enforcing the few Days of Drill he had left

unperformed ; but, independent of the discrepancy of much of the Evidence upon the Prosecution and the great Mass of irrelevant and extraneous matter which has been admitted on the Proceedings, there is another consideration which has influenced the disapproval of this Trial. The Second Instance of Charge is altogether irregular and illegal. It is without any specification of Time or Place : and it appears from the Evidence, to be merely the *first* Instance of Charge preferred *over again*, with the additional Averment, *illegally* adduced in aggravation, of the Prisoner having been *already punished* for a similar offence, by a Sentence of a Regimental Court Martial, in the preceding Month.

Under these circumstances the Prisoner will be released and return to his Duty, and the Court is hereby dissolved.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

Subadar Mohun Sing of the Fifteenth Regiment of Native Infantry, placed in Arrest by my order, on the following Charges.

First Charge.—For scandalous and infamous behaviour, such as is unbecoming the Character of an Officer, in having, on the morning of the 14th of March 1829, in front of the Regiment, on the Parade, in Camp, near Narrangaulputty in the Madura District, told me a deliberate Falsehood, viz. that he had no Servant, when he knew that he had one.

Second Charge.—For conduct greatly to the prejudice of good order and Military Discipline, in having at the time and place set forth in the preceding Charge, behaved to me in a disrespectful and insubordinate manner by persisting to importune me for Leave to come up in the rear of the Line, after I had repeatedly refused him, and fully explained to him my reasons for so doing; and by disobeying my repeated orders to fall in with his Company.

Third Charge.—For having about twenty minutes afterwards, on the same morning, on the Line of march, quitted his Company without leave; and in defiance of the immediate orders to the contrary of Lieutenant and Acting Adjutant John Ross of the Fifteenth Regiment of Native Infantry, gone back to his Family on the old ground from which the Regiment had marched that morning.

BY ORDER.
(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

The Court having maturely weighed, and considered the Evidence in support of the Prosecution, as well as what the Prisoner hath urged in his defence, and the evidence in support thereof, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of so much of the First Charge, as having said "that he had no Servant, when he knew that he had one" but acquits him of the remaining part of the Charge.

Finding on the Second Charge.—That the Prisoner is guilty.

Finding on the Third Charge.—That the Prisoner is guilty.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Subadar Mohun Sing of the Fifteenth Regiment of Native Infantry, to be suspended from Rank, Pay, and Allowances for (5) Five Months from such date as His Excellency the Commander in Chief may be pleased to direct.

President.

(Signed) H. O'BRIEN, Captain,
Deputy Judge Advocate General.

(Signed) E. AMSINCK, Lieutenant,
2d Brigade Horse Artillery,
Interpreter to the Court.

Remarks.—The Court has been induced to acquit the Prisoner of "Scandalous, and infamous behaviour such as is unbecoming the Character of an Officer," and of having "told a deliberate falsehood" "as set forth in the first Charge, in consequence of the only person in his employ having been a *Boy* as servant, consequently incapable of performing the duty for which he required him, viz. to drive his and cart Bandy.

Recommendation.—The Court is induced from the circumstances of the aged Mother of the Prisoner (between eighty or ninety years of age) having been left in so deserted a situation; the good

character given to him by his Commanding Officer; his long Services, with much active Field Service; added to the consideration that he has been nearly (4½) four and a half months in arrest to recommend him to the favourable consideration of His Excellency the Commander in Chief.

Deputy Judge Advocate General.

(Signed) A. KERR, Captain,

Approved and Confirmed, but in consideration of the circumstances above stated, and at the recommendation of the Court the punishment is hereby remitted.

The Court will revise its Sentence, which is illegal; the award of "Imprisonment with hard labour in Irons" is only applicable to certain criminal offences of a heinous description under the special provisions of Article VI Section 12, of the Native Articles of War, and imprisonment of *whatsoever description*, is not legally awardable for Military Offences in the Instance of a Native Soldier.

GENERAL ORDERS.

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS, CHOULTRY PLAIN;

1st August 1829.

Many irregularities in the Discharge from the Service of Native Soldiers and others, and in the preparation of Discharge Certificates, having been brought to the notice of the Commander in Chief, His Excellency is pleased to direct the publication of the following Regulations on the subject, holding Commanding and Staff Officers responsible for the strictest adherence to them in every particular.

DISCHARGES.

Native Troops.

1. No Native Soldier, or other person, being once borne upon the Returns of any Corps, or Department attached to a Corps, shall be discharged from the Service, except by authority of the Commander in Chief expressed by the countersignature of the Adjutant General to each Discharge Certificate.

2. When a Native Soldier is recommended to be discharged by any other but a General Court Martial, and such recommendation may meet with the concurrence of the Commanding Officer, or when circumstances connected with the trial may render the Prisoner's discharge advisable, a Copy of the Crime and Sentence shall be transmitted to Head Quarters with a Discharge Certificate for countersignature.

3. No application for the Discharge of a Native Soldier "*at his own request*," shall be forwarded to Head Quarters, unless such Soldier shall have clearly and explicitly stated to the European Officer in charge of his Troop or Company, in the presence of the Officer Commanding or in charge of the Corps, that his request to be discharged is perfectly voluntary.

4. Unless peculiar circumstances may render immediate application desirable, no application for the Discharge of a Native Soldier "at his own request," is to be forwarded to Head Quarters but through the periodical Invaliding, &c. Committees, or through the Reviewing Officer at his Annual Inspection.

5. Previous to any Soldier being recommended for discharge on account of "incurable disease," the Medical Officer is to make a most circumstantial report according to Form No. 1 to the Superintending or Staff Surgeon of the Division or Force, upon whose opinion alone the case is to be deemed incurable, and the man proposed for Discharge.

6. Every Soldier is entitled to receive Pay up to the date of his receiving his Discharge Certificate inclusive, and no man is consequently to be struck off the strength of his Corps until the Paymaster is prepared finally to adjust his claims.

7. On all occasions of Discharging Soldiers or others in receipt of Clothing and to whom Clothing may be due, the Abstract for compensation in lieu of Clothing, if none be in Store, shall be forwarded to the Clothing Board by the same post by which the Discharge Certificates are transmitted, and the Adjutant General of the Army will apprise the Clothing Board of the Commander in Chief's sanction to the Discharge, in order that the Abstract may be passed, and returned to the Officer Commanding the Corps forthwith.

8. Every Native Soldier or other person borne upon the Returns of the Army is entitled on being discharged from the Service, not at his own request, to a Donation of one Month's Pay of his rank, or when Discharged at Hyderabad, Jaulnah, Nagpoor, or other Station not within the territory of Fort St. George, as specified in the Pay Regulations, two Months Pay,—for the purpose of defraying his travelling expenses to his place of residence.

9. From this indulgence shall be excepted all individuals discharged for theft, desertion, drunkenness, malingering, or other *disgraceful* conduct, or by the Sentence, or at the recommendation, of a Court Martial.

10. Every Soldier on being discharged is to be furnished with a Certificate according to Form No. 2, which shall contain the following particulars, viz.

First. His name written at full length, rank, regimental number, the place of his nativity, the place and date of his enlistment.

Second. A Certificate of the exact period of his service, specifying in what Corps, and the time if any, employed on Foreign Service.

Third. The Authority for his Discharge, the Cause, whether in consequence of having been deemed unfit for the Service and from what specific disability, whether at the recommendation of a Court Martial, whether in consequence of misconduct, or whether at his own request.

In the instance of a Soldier discharged on account of unfitness for Military Service, the origin and nature of his disability are to be particularly explained:—if he has lost an eye, or limb, or has been wounded, or in any manner disabled, it must be stated when, where, and how such disability took place, and whether it is considered to have been the effect of Service. The countersignature of the Medical Officer is to be attached to the Certificates of all Men discharged on account of disease.

Fourth. A Certificate of his general Character and [illegible] during the period of his Service. If he has been wounded, or has distinguished himself in any p[illegible] manner it is to be here recorded.

Fifth. A Certificate that he has received all just demands of Pay, Clothing, &c. from the period of his entering into the Service to the date of his Discharge, and that he has, or has not, received donation.

Sixth. An acknowledgment to the above effect which is to be signed by the Soldier himself and corroborated by the Signature of the Captain or Commanding Officer of his Troop or Company, or of the Officer in charge of the Depôt or Department from which the Soldier is discharged.

Seventh. His age, height, and personal description, the place and date of his discharge, seal of the Regiment, and signature of the Colonel or Commanding Officer, to be affixed.

11. All Discharge Certificates are to be transmitted to Head Quarters through the channel of Officers Commanding Divisions or Forces, who will be held responsible that they are made out according to the prescribed Form, and that they are most fully and accurately filled up.

12. Every Discharge Certificate shall be read and fully explained to the Man for whom it is intended in the presence of the Commanding Officer who is to sign it, and whose duty it is to question the Man particularly whether he is satisfied that the Statement of Service is correct.

13. No Soldier who may be discharged for theft, desertion or other *disgraceful* cause, shall be allowed to retain in his possession any badges of honor granted to him for former Services.

In all such cases the Officer Commanding the Corps shall return to the Adjutant General's Office any Medals, &c. which the discharged Man may have obtained.

14. It is to be distinctly explained to each individual on his discharge, that he is strictly forbidden, thereafter, on any account, to wear the Military Jacket or Turband.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish for the information of the Army the following G. O. by the Governor General in Council, and in advertence to the concluding Para., to rescind the G. O. by this Government of the 6th of January last No. 5 ; and to declare the G. O. of the 8th of February 1828, to be again in operation.

No. 105 OF 1829.

General Orders by the Right Honorable the Governor General in Council.

FORT WILLIAM, 15*th May* 1829.

The Governor General in Council is pleased to direct the publication in General Orders of the following Extracts of General Letters from the Honorable the Court of Directors, under dates the 26th November and 3d December 1828, and to declare their provisions alike applicable to the three Presidencies.

General Letter, 26th November 1828.

Para. 2. " We think it necessary to desire that no Officer be withdrawn from his Regiment for the purpose of being appointed as Extra or Supernumerary Aid-de-Camp.—Any Officer so withdrawn, and who does not hold an authorized Staff appointment will be directed to rejoin his Corps, and in no case is any Officer, not of the regular and established number of Aides-de-Camp, to be granted any allowance as such."

General Letter, 3d December 1828.

Para. 17. You are aware of our great anxiety that the demands for the Staff should be supplied equally from all the Regiments in the Service.—Our Orders limiting the numbers to be withdrawn from any one Regiment to five, were dated on the 25th November 1823, and we are glad to perceive from your General Order of the 17th of August 1827, arising out of a valuable suggestion by Lord Combermere, that those Orders have been made more precise in their application—We fully approve of the new Regulation as published by you on that occasion, and we desire that it be strictly enforced at our several Presidencies.

18. The number of Officers in each Regiment placed at your disposal for the Staff, being more than adequate for all the demands which have ever been made for the services of Officers on detached duty, we think it advisable still further to contract the limits of selection laid down in our Letter of the 25th November 1823, and we accordingly desire that no Regiment of Cavalry or Infantry shall have three Officers withdrawn for detached employment until all Regiments have two, nor four until all have three.

20. Sufficient time has now elapsed since our Orders of the 25th November 1823 were received and promulgated, to allow of their having been brought into complete operation in every Regiment, but, if at the date of the receipt of these Orders, any Regiment shall have more than Five Officers absent from it on detached employment, we desire that all in excess to that number be immediately relieved from their Staff Employ and directed to rejoin their Corps.

21. In any future case, when four Officers shall have been withdrawn from one Regiment on detached duties, and the number allowed for as being absent on Furlough (namely four) shall be complete, we desire that if an additional Officer shall require to proceed to England on Sick Certificate one of the four absentees on detached duty (the last withdrawn) be required to rejoin his Corps.

22. We have fixed the number at four, because by the operation of our present orders no more than this number can be withdrawn for Staff employment, the number absent appearing by the last Returns to average rather less than four per Regiment.

The Honorable Court having expressed their entire approval of the Regulation published to the Army under date the 17th August 1827, and desired that it be strictly enforced at their several Presidencies, the General Orders of the 23d February 1829, No. 52 notifying the Regulation above referred to, are accordingly cancelled.

FORT ST. GEORGE, 14TH AUGUST 1829.

G[illegible] BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to establish the following Regulations, regarding Commissioned and Warrant Officers, and Non-Commissioned Ordnance, Medical and Commissariat Servants, proceeding to, or returning from the Eastern Settlements on duty, and the same rules will apply, in every respect, to the different ranks equally when returning from those Settlements on Sick Certificate, as when proceeding again to join their Corps or Departments.

When proceeding on Board the Company's Ships or Hired Transports.

2. In these cases, the Commanders of the Ships will be entitled to Table Allowance at the rate of 8 Rupees per diem, for each Commissioned Officer, and for the higher grades of Warrant Officers viz. Commissaries, Deputy Commissaries, Assistant and Deputy Assistant Commissaries :—4 Rupees per diem, for all other Warrant Officers ; and 2 Rupees per diem for each Non-Commissioned Officer of the above Departments.

3. The Commissioned Officers, and the higher grades of Warrant Officers in the above cases, will be subject to a stoppage of 2 Rupees each per diem, for the number of days they may be on Board, but no stoppages to be made from the inferior ranks.

4. His Excellency the Commander in Chief is requested to make such arrangements, as shall admit of Officers, &c. as abovementioned, destined for Penang and the Tenasserim Coast, being embarked, either in the Honorable Company's Ships, or on Ships occasionally hired for the transport of Military, or Commissariat Stores ; and also to require the Officers Commanding at the Eastern Settlements to provide in like manner for the return of Officers to this Presidency.

When proceeding on private Ships by public arrangement.

5. When Ships of the description specified under the preceding head may not be available, passages will be provided by the Marine Board, upon the application of the Quarter Master General of the Army, and at Out Ports of this Presidency, or at the Eastern Settlements, by the Officers Commanding.

6. In the cases provided for under this head, Commissioned Officers, and the higher grades of Warrant Officers (as defined in the 2d Para.) will not receive either full batta, or house rent for the period of being on board Ship, and of course will not be subject to stoppages. Certificates from the Commanders of the Ships, specifying the period the parties were on board will be required.

When Officers proceed under private arrangement.

7. In all cases, in which Commissioned Officers and the higher grades of Warrant Officers (as above) may make their own arrangements for the passage, they will be entitled to Full Batta and Table Allowance at the rate of 6 Rupees each per diem, without being subject to stoppages ; the Bills to be discharged by Paymasters on Certificates from the Commanders of the Ships, specifying the period the parties were on board.

8. Frequent applications having been made for Passages at the Public expense, for the Wives and Children of Officers and others, proceeding by Sea on duty ; the Governor in Council deems it proper to notify, that no public Charge can be sanctioned on that account, and the parties concerned must therefore make their own arrangements for the Accommodation and Passage of their Families, but as it may be found necessary in some cases, that the expense of the passage of families shall in the first instance be paid by the public, the parties concerned will, in such cases, be subject to a stoppage of the whole amount so paid, from their personal allowances.

9. The passages of Officers returning from Prince of Wales Island or its Dependencies to be fixed, in all cases, with the concurrence of the Government at that Presidency.

10. The Bills for passage Money and Table Allowance, if at the Presidency, will be passed by the Military Auditor General, on Bills countersigned by the Quarter Master General of the Army, in verification of the charges ; and at Out Ports of this Presidency or at the Eastern Settlements, the Bills will be discharged by Paymasters on Certificates (at the foot of each Bill) by the Officers Commanding, that the periods, if for Table Allowance, are correct ; and if for Passage Money, the sums charged are those agreed on ; and when the payments are not to be made where the agreements are entered into, the Commanders of the Ships are to be furnished with the prescribed Certificates.

By order of the Right Honorable the Governor in Council.

MADRAS, *August 20th*, 1829.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Although the actual fact of Orders having been given to prevent smoking in the Barracks has been proved by several witnesses, yet no record to that effect has been brought against the Prisoner from the Orderly Book, consequently there is no proof of his necessarily being made acquainted with such an Order, I must therefore consider that the conviction on the part of the Court has been built on insufficient Evidence and therefore disapprove it and its Sentence is not confirmed. The neglect of a succession of Commanding Officers and Adjutants of the 1st Regiment Native Infantry in omitting to enter in the Regimental Books an Order so imperatively called for, appears to the Commander in Chief far more culpable than the simple Crime of the Prisoner which is chargeable to it.

To prevent however the possibility of such neglect in future it must be considered as a General Standing Order that no Fire or Light of any kind, on any pretence whatsoever, is to be allowed within the Depot of Arms of any Corps in the Service.

To be entered on every Order Book and to be annually renewed and read to the Men in Regimental Orders.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

HEAD QUART[illegible]RS : C[illegible]HOULTRY PLAIN ;

Letters from those authorities will be necessary only in the event of [illegible]ch communications not meeting with their approval.

2. Periodical Reports and Returns, to w[illegible]tever Department addressed, [illegible]eing properly endorsed, may be forwarded without the addition of Lett[illegible]s accompanying them.

3. All Applications from Regimental O[illegible]cers must, in the first instance, be submitted to the Commanding Officers of their Regiments.

4. Commanding Officers are to forward f[illegible] the Commander in Chief's information, such applications from the individuals under their Command [illegible] are deemed to be correct and reasonable, stating the grounds on which they are indu[illegible]ed to recomm[illegible]d that the request may be granted. In the instance of references or appeals to superior au[illegible]hority which the Commanding Officer may consider objectionable, it will be his duty to inform the party of his opinion [illegible] the subject, but should the appeal be still desired, it is to be forwarded by the Commanding Officer, [illegible]companied by his remarks in explanation.

5. The preceding rule is equall[illegible] applic[illegible]le to memorials, &c. transmitted to the Medical Board, and the Commander in Chief directs that it [illegible] accordingly observed in all future instances.

6. All enclosures in letters are to be end[illegible]ed, with a clear and succinct summary of their contents.

7. The number of a letter from any pub[illegible] Department is always to be mentioned when acknowledging its receipt.

8. The Commander in Chief further dir[illegible]s that the principle of the foregoing Regulations be extended to the conduct of correspondence *within* [illegible]isions, &c.

LEAVE [illegible] ABSENCE.

O[illegible]rs.

1. Applications from Regimental Officers [illegible] leave of absence, whether to Europe or otherwise, are, in th[illegible] first instance, to be made to their Regi[illegible]ntal Commanding Officers, by whom their reque[illegible]ts will be communic[illegible]ted [illegible] a letter of recommendation [illegible] the Adjutant General of the Army, through the channel of [illegible]he General or other Officer Commanding [illegible]e Brigade or Division.

This space is to contain a letter from the Commanding Officer of the Regiment, to the Adjutant General, stating the grounds on which he is induced to recommend the request for favorable consideration.

4. When application is made for leave of absence for an Adjutant, Riding Master, Quarter Master, Surgeon, or Veterinary Surgeon, it must be stated what provision has been made for the performance of the duties of those Appointments during the absence of the Officers who hold them, in the event of leave being granted.

5. When the leave is solicited on account of ill health, the "Distribution" statement is dispensed with, and a Medical Certificate is to accompany the application.

6. Officers who receive leave to be absent from their Regimental duty are expected to be present with their Regiments on the day on which the periods of their leave terminate, and Monthly Returns are required to specify the date on which such Officers re-join their Corps.

7. Officers holding Commands or other appointments under the immediate nomination of Government, requiring leave of absence, shall make application to the Adjutant General for the Commander in Chief, who will submit their request to the Governor in Council.

8. Officers serving at any Station, other than in the Centre Division, requiring leave of absence to Europe and intending to embark at Madras, w[illegible], in the first instance, make application for leave to proceed to the Presidency, specifying it to be "*preparatory to applying for leave to proceed to Europe*" and the subsequent application for the latter leave may then be made to the Adjutant General direct.

9. The practice of forwarding a second application to Head Quarters for an extension of leave creates much unnecessary inconvenience, and, unless necessitated by very urgent circumstances, it is prohibited.

Native Commissioned Officers, European and Native Non-Commissioned, &c. &c.

1. Commanding Officers of Regiments or Stations are empowered to grant leave of absence to the Native Commissioned, Non-Commissioned Officers and others of the inferior ranks under their command for such periods and to such number, as they may deem proper, subject to the control of the Officer Commanding the Division or Brigade who is empowered to interfere whenever he may be of opinion that the number of men on furlough, as noted in the Returns, has reached or exceeds the proper bounds.

Passports are not required to bear the countersignature of the Station or Divison Staff.

SICK ABSENT.

1. All Sick Certificates, otherwise than to Europe, must distinctly specify the period for which the Surgeon is of opinion that the Officer's state of health requires that leave of absence should be granted to him, and no further Certificate will be necessary during that period. The transmission of Monthly Certificates as at present required is consequently dispensed with.

2. Should continued indisposition preclude Officers from re-joining at the expiration of the original leave, they are authorised to make application through the regular channels, supported by the prescribed Medical Certificate, for an extension, specifying to what period, as ordered in the preceding paragraph.

3. In particular cases where circumstances prevent the possibility of such applications being received at Head Quarters, through the regular channel, in sufficient time for the decision of the Commander in Chief being notified previous to the expiration of the leave originally granted, Officers are permitted to forward *duplicates* direct to the Adjutant General of the Army.

4. Medical Certificates are to be countersigned by the Superintending Surgeon, or, in his absence, by the Senior Surgeon present, the subjoined Forms being strictly attended to.

23D OCTOBER, 1829.

The following Extract from the confirmed Proceedings of an European General Court Martial, holden at the Judge Advocate General's Office, on Monday the 19th day of October 1829, by Virtue of a Warrant from His Excellency Lieutenant General Sir G. T. Walker, G. C. B. and G. C. T. and S. Commander in Chief, are published to the Army.

Ensign John Young Wilkinson, of the Ninth Regiment of Native Infantry, placed in Arrest by order of Lieutenant Colonel B. B. Parlby, C. B. Commanding the 9th Regiment Native Infantry.

Charge.—For conduct to the prejudice of good order and Military Discipline, in having, at Wallajahbad on or about the 20th of August 1829, violently and insubordinately addressed to Lieutenant Theodore Adrian John James Longworth, of the Ninth Regiment of Native Infantry the following Letter; with intent to provoke the said Lieutenant Longworth to fight a Duel; and in consequence of an official Report made by him, (Lieutenant Longworth) as Senior Officer present at the Regimental Mess at Wallajahbad, on the 18th of August 1829.

"To LIEUTENANT LONGWORTH,"

Sir,

"I consider your conduct to me as dirty and shabby in the extreme, and, if you are a *Gentle-*"
"*man*, you will know what use to make of this Letter."

BY ORDER.
(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

Ensign John Young Wilkinson, of the 9th Regiment of Native Infantry, charged by Major Charles Augustus Elderton, Senior Officer in charge of the same Corps, in addition to the charge previously preferred against him.

Additional Charge—With having at St. Thomas's Mount, on the 20th of September 1829, broken his arrest.

The above being in breach of the Articles of War.

ST. THOMAS'S MOUNT,

(Signed) C. A. ELDERTON, Major,
S. O. in charge 9th Regiment.

BY ORDER.
(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner has urged in his Defence, and the Evidence in support thereof is of opinion.

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Finding on the Additional Charge.—That the Prisoner is guilty of the Additional Charge but that he has already been punished for the offence by a severe Reprimand in Regimental Orders, and and therefore does not award any punishment for the same.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said Ensign John Young Wilkinson of the Ninth Regiment of Native Infantry, to be suspended from Rank and Pay for six Calendar Months.

(Signed) W. G. BEARSE, Lieut. Colonel, President.

(Signed) C. G. ALVES, Captain, Deputy Judge Advocate General.

APPROVED AND CONFIRMED.

(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

MADRAS, *October* 20, 1829.

The Commander in Chief would in this instance have been disposed to restrict the suspension to half the period of the Sentence, had the Prisoner in his Defence shewn a proper consciousness of the wanton disrespect shewn to his superior Officers, and of the gentlemanly and proper conduct of Lieutenant Longworth on the occasion that gave rise to it.—The Court in declining to pass Sentence on the Charge upon which the Prisoner had already received a strong Reprimand in Regimental Orders, has held out a lesson to the Commanding Officer who gave it in, which he has but too much merited, and the Commander in Chief trusts that it will in future be felt by the Army at large as one of the first principles of justice that no man should be twice punished for the same offence.—It is lamentable that it should be necessary to repeat this so often in Public Orders but so it has been—If however common charity does not hereafter impress it upon all, it must be upheld by stronger measures—The suspension to take place from the receipt of this Order.

(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

The General Court Martial of which Lieutenant Colonel Pearse of the Artillery is President, is dissolved.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the prosecution as well as what the Prisoner James Carrod, Gunner of the B Troop of the First Horse Brigade of Artillery, has urged in his Defence, and the Evidence in support thereof is of opinion.

MADRAS,
26th October 1829.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

Drunkenness is certainly no excuse for the Commission of other crimes, the Prisoner must consequently abide the penalties it has entailed upon him, but an observation thrown out by him on his Defence that if he had been Confined for being Drunk at the proper Roll Call previous to his being put on duty all his other crimes would have been prevented, is so worthy of the consideration of every Commanding Officer who has a proper and paternal feeling for those under his Command, that the Commander in Chief cannot but call the most serious attention to it although he must at the same time express his regret that this is not the first time he has found it necessary to make a similar observation.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Officer Commanding Light Field Division Hyderabad Subsidiary Force will take measures to carry into execution the Sentence of imprisonment against Gunner James Carroll, in one of the solitary Cells at Jaulnah.

HEAD QUARTERS : CHOULTRY PLAIN ;

30TH OCTOBER, 1829.

It has been with feelings of the deepest regret that the Commander in Chief has, on several occasions, had his attention called to instances of coarse language and of unbecoming epithets used by Officers to those under their Command, but a very aggravated case of this nature having lately occurred in the Artillery which has demanded his serious animadversion, he feels it his duty without further delay to call upon the Army at large to check an abuse, not only most disgraceful to the Character of those who use it, but in the highest degree injurious to the Service, inasmuch as it must disgust all who are subjected to it, and be destructive of all confidence and good will towards those in authority. But as the Commander in Chief cannot hope to express his sentiments on this important subject in the forcible and impressive language employed by Lord Hill [the Commander in Chief of all His Majesty's Armies] in one of the paragraphs of his Instructions to Inspecting Generals ;—He trusts he shall be excused for the publication of this document which, emanating as it does from the highest authority, and it may be truly said from the very feelings and practice of that distinguished Officer, will, it is to be hoped, be received as it merits by the Madras Army.

HORSE GUARDS, 1ST DECEMBER, 1828.

" The General Officer will take every opportunity of impressing upon the Commanding Officer, " and through him upon those of every Rank, the advantage which they, individually, the Corps, and the " Service at large, will derive from the adoption towards the Non-Commissioned Officer, and Soldier, of " a system of Command and treatment which shall be free from the coarse and offensive language, too " often used in reproving the Soldier for trifling irregularities, or for accidental omissions. They should " be told that the use of gross language and offensive terms, upon any occasion, is not only unbecoming " their own Character and Station, as Officers and Gentlemen, but degrading to the Soldier ; Whereas it " is desirable to keep up in *all* Ranks of the Army a proper feeling, and high sense of honour, by which " the correct discharge of duty will be best ensured."

" The gross abuse which is often lavished on a Soldier for a trifling fault, an accidental mistake, " or an unintentional omission, produces irritation or sulk, and to this cause, more than to any other, may " be traced acts of insubordination which entail the necessity of severe Punishment."

" If reproof be necessary, it should be conveyed in such a manner, and in such terms, as will " make a lasting impression, without hurting the feelings of the Individual, and lowering him in his own " estimation.—The Officers should, not only themselves, observe this injunction, but they should " require it to be observed by the Non-Commissioned Officers ; and indeed their example will very soon " have the effect of checking the use of improper and offensive terms, on the part of the Non-Com- " missioned Officers towards the Soldiers. If acts of intentional neglect, and of insubordination " should take place, although wholly unprovoked by any treatment received, the means of correction " and punishment which are authorized by the Regulations of the Service must be resorted to, and they " will have double effect if not preceded by coarse and abusive language:—indeed it will probably be " found, that they will become comparatively rare, as the Duty will be done more cheerfully and " zealously.

The foregoing Order to be entered in all Orderly Books, read at the Head of every Regiment under this Presidency, and be particularly explained to Officers, Non-Commissioned Officers, and Soldiers, whether European or Native.

B. R. HITCHINS,
Deputy Adjutant General of the Army.

5TH NOVEMBER, 1829.

The Commander in Chief in his Order of the 20th October, on the Court Martial on Ensign Wilkinson of the 9th Regiment N. I. having stated he would have been disposed to restrict his Sentence to half the period, had the Prisoner on his defence shewn a proper consciousness of the wanton disrespect he had exhibited to his Superior Officers—he could have little expected that in the face of such an observation, this ill-advised young Man should have had the presumption to address the Commander in Chief by letter not only attempting further to justify such Conduct, but complaining of the decision of the Court which tried him in throwing out of their Proceedings 34 Paragraphs of his speech in Defence, of which he has had the hardihood to send Copies to Head Quarters.

Of the libellous matter, of the idle reports therein descanted upon, in fact of all the irrelevant trash contained therein, there can be but one opinion beyond the dangerous circle in which this young Man must have been buoyed up. Nor can there be any doubt but that the Court's rejection of it was in tenderness to the youth and ignorance of the Prisoner as well as in a due sense of propriety. But though the Commander in Chief will in the same feeling refrain from dwelling further on these most objectionable papers, this young Man must be told that if he expected that the step he has taken would lead to a diminution of his Sentence, he has made a most erroneous calculation and has much mistaken the nature of the Profession he has adopted. That a perseverance in the self-sufficiency that can set him up against the opinions of his Superior Officers; against the better judgment of a Court of Justice, must ultimately snatch from him definitively that Sword of which, as a lesson of forbearance and Discipline, he has now been only temporarily deprived. The Commander in Chief is however unwilling to believe that so young and inexperienced a Man can have adopted a Conduct so ruinous to his future prospects without the mischievous advice and encouragement of more hardened confederates who shelter themselves under his weakness. Let him then if he hopes to prosper, avoid all such in future as he would a pestilence, and let them beware, if such there are, that they do not in their vanity commit themselves when least they imagine it!

Captain W. S. Hele is removed from the 1st to the 3d Battalion Artillery.

The Commander in Chief is pleased to confirm the undermentioned Appointments.

By the Officer Commanding Bellary of Assistant Surgeon J. Wilkinson of the 5th Regiment Native Infantry to *act* as Garrison Surgeon from the 23d Ultimo, vice Donaldson reported Sick, and proceeding to Adoni on leave.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN ;

7TH NOVEMBER 1829.

The Commander in Chief is pleased to publish the following Memoranda for the guidance and disposal of the Proceedings of Military Courts of Requests assembled under the Provisions of Act IV. Geo. IV. Cap. 81.

I. The Court having met, the President and Members are to be duly sworn, *upon each Trial separately.*

II. If the Plaintiff fail to appear, a *Nonsuit* is entered upon the Record and the Court closes its Proceedings on the case.

III. If the Defendant fail to appear ;—after evidence upon oath (to be duly recorded) that personal notice of the day and hour of the Court's Assembly has been served upon the said Defendant, the Court proceeds to hear the cause *exparte*, receiving and recording such proof as the Plaintiff may have to adduce, and giving judgment thereon accordingly.

IV. The Plaintiff and Defendant being both in Court, the Court inquires of the Plaintiff (not upon oath) what the nature of his demand is :—and, on this being stated, interrogates the Defendant (not upon oath) as to whether he owns the debt and acquiesces in the statement of the Plaintiff, or not. This preliminary examination of the Parties is to be conducted by the Court to such extent as may appear to be desirable ; and it is to be remembered that such declarations as either Party may make *against his own interest*, altho' *not upon oath* are good evidence against himself.

V. Should the Defendant acknowledge the debt, a decree is then passed and recorded accordingly ; and the Court closes its Proceedings on the case.

VI. Should the Defendant deny the debt, the Plaintiff is called upon for his proofs ; and his witnesses, being produced, are examined, on oath, by the Court, subject to cross-examination by the Defendant, and their evidence recorded.

VII. The Defendant is then, in like manner, called upon ; and the evidence of the witnesses on the defence, subject to cross-examination by the Plaintiff, is duly recorded.

VIII. The Court then decides according to the evidence before it ; and the decision is entered upon the record. Special attention being given, in the event of finding any debt or damage due, to the Provisions of Section LVII of 4 Geo. Cap. 81,

☞ *In all places where the said Company's Forces now are or may be employed, or where any Body of His Majesty's Forces may be serving with the Forces of the said Company, situate beyond the Jurisdiction of the Court of Requests established at the Cities of* Calcutta, Madras, *and* Bombay *respectively, Actions of Debt and all personal Actions against such Officers, Non-Commissioned Officers, or Soldiers, all Persons licensed to act as Sutlers to any Corps or Detachment, or at any Station or Cantonment, or other Persons amenable to the Provisions of this Act, or resident within the Limits of a Military Cantonment, shall be cognizable before a Court of Requests composed of Military Officers, and not elsewhere ; provided the Value in question shall not exceed Four hundred Sicca Rupees, and that the Defendant was a Person of the above Description when the Cause of Action arose ; which Court the Commanding Officer of any Station or Cantonment is hereby authorized and empowered to convene, and the said Court shall in all practicable Cases consist of Five Commissioned Officers, and in no instance of less than Three, and the President thereof shall not be under the Rank of a Captain ; and every Member assisting at any such Court, before any Proceedings to be had before it, shall take the following Oath upon the Holy Evangelists ; which Oath shall be administered by the President of the Court to the other Members thereof, and to the President by any Member having first taken the said Oath ; (that is to say,)*

'I swear, That I will duly administer Justice, according to the Evidence, in the Matter that shall be brought before me.

So help me GOD.'

and to the mode of proceeding therein prescribed.

IX. Although neither Party can be sworn, in support of his own cause, at his own desire ; yet either Party may be required by the other to give answer upon oath, or be ordered by the Court so to do. But it is only usual for the Court to resort to such a measure when a decision is about to be pronounced upon the statements of the Parties only, without evidence of any kind : or when the evidence adduced is altogether insufficient and unsatisfactory : in such cases the Court directs *such* Party to be sworn as it may deem best.

X. If either Party, being sworn at the request of the other, make such answer as may be prejudicial to the cause of the adverse Party, such Evidence must nevertheless be received and recorded and due weight given to it accordingly.

XI. If a Party refuse to be sworn, when requested by the other Party or ordered by the Court, such refusal is to be deemed, contumacious, and tantamount to a confession against himself ; and Judgment is to be passed and recorded against him accordingly.

XII. One Party having been sworn, at the request of the other or by order of the Court, the other Party should not, *in any case*, be sworn. The Plaintiff may, if he please, require the Defendant to be sworn in support of the Prosecution : and this would preclude the Defendant from making a like demand on the defence.

XIII. A Court of Requests cannot, in any case, decide Suits touching Land or Houses : neither can it, on any pretence [illegible] such [illegible] to be [illegible] arise [illegible]

And every Witness before any such Court shall be examined on Oath, which such Courts are hereby authorized to administer, or if Natives of the East Indies, *on Oath or solemn Declaration, as the Circumstances of the Case may require; and it shall be competent for such Courts, upon finding any Debt or Damage due, either to award Execution thereof generally, or to direct that the Whole or any Part thereof shall be stopped and paid over to the Creditor out of any Pay or public Money which may be coming to the Debtor in the current or any future Month; and in case the Execution shall be awarded generally, the Debt, if not paid forthwith, shall be levied by Seizure and public Sale of such of the Debtor's Goods as may be found within the Camp, Garrison, or Cantonment, under a written Order of the Commanding Officer, grounded on the Judgment of the Court, and the Goods of the Debtor, if found within the Limits of the Company's Garrison or Cantonment to which the Debtor shall belong at any subsequent Time, shall be liable to be seized and sold in satisfaction of any Remainder of such Debt or Damages; and if sufficient Goods shall not be found within the Limits of the Camp, Garrison, or Cantonment, then any public Money, or any Sum not exceeding the Half Pay accruing to the Debtor, shall be stopped in liquidation of such Debt or Damage; and if such Debtor shall not receive Pay as an Officer or Soldier, or from any public Department, but be a Sutler, Servant, or Follower, he shall be arrested by like Order of the Commanding Officer, and imprisoned in some convenient Place within the Military Boundaries, for the Space of Two Months, unless the Debt be sooner paid.*

seized or sold in satisfaction of its Judgments or Decrees.

XIV. A Court of Requests is essentially a Court of Equity and Conscience; not bound down by the same strictness of Rule and Form which attaches to Courts of Law generally; and the Members thereof are to recollect that they are to make such Inquiry as may enable them, *according to their conscience*, to do entire Justice to both Parties. A claim for money due, for Instance, might be met by a counter-statement of damage done by the adverse Party; and the Court would then make inquiry and decide according to the Equity of the case. A. being servant of B., claims wages due: B. admits that the wages are due; but states that certain Articles, entrusted to the said A. his servant, of equal or greater value than the wages due, have been wantonly lost or destroyed by him:—the Court would thereupon require evidence, first as to the *actual* entrusting of the articles in question to A., and secondly as to their value and the manner in which they were lost or destroyed:—and then pronounce Judgment accordingly.

XV. No creditor can be allowed to *divide his demand* against the same person *into several suits*, for the purpose of reducing it within the Jurisdiction of a Court of Requests; but, if he be willing to limit and restrict his *entire demand* to the sum of 400 Rupees, and to quit claim to the surplus of the debt over and above the said sum, then his suit may be so admitted accordingly.

XVI. The Proceedings having been concluded on the particular case, are to be submitted in the usual manner for the approval of the Commanding Officer of the Station; who will send back the same to the Court, for reconsideration, should the decision be in opposition to the evidence adduced.

XVII. In the event of a *Nonsuit* being recorded, or of Judgment given upon *exparte* hearing; and of the Plaintiff, or Defendant, as the case might be, afterwards shewing sufficient cause for his non-appearance on the day fixed;—and, in like manner, in the event of the Court persevering, upon revision, in a decision palpably unjust and contrary to the evidence;—then the Officer by whose authority the Court assembled will forward the Proceedings thereof, with such opinion as he may have to give thereon, through the Adjutant General of the Army, to the Commander in Chief; who will, if he sees sufficient cause, direct a new Trial of the matter in question by another Court of Requests to be assembled for the purpose.

XVIII. The Proceedings of Military Courts of Requests are to be recorded *separately* upon each Trial, and the record made up in the same form and size as the records of other Military Courts inferior to General.

B. R. HITCHINS,
Deputy Adjutant General of the Army.

MADRAS,
November 7, 1829.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

The several offences set forth in the Section of Articles of War headed "*Mutiny*" have usually been described, in Charges as "*Mutiny*" or "*Mutinous conduct*" which was done accordingly, in framing the Charge against Private Kaut Rajoo of the 27th Regiment of Native Infantry. The Court, however, has allowed itself to be swayed to a different conclusion, as to the expediency of such Averment being inserted in the Charge, by the *opinions* of a *Native Officer* and a *Non-Commissioned Officer*, unadvisedly called for by the Judge Advocate on the Prosecution: as tho' the matter were not rather for the deduction of the Court from the Facts sworn to before it, than for the decis[illegible] [illegible]on of witnesses. As

however, the offence of the Prisoner, within the limitation of the Court's Finding, is actually specified and provided for by Article V. Section I. of the Native Articles of War;—and as the Sentence is commensurate;—the Commander in Chief has confirmed the same. The necessity for employing the Judge Advocate elsewhere rendering a reconsideration of the finding inexpedient.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

The General Court Martial of which Captain Farquharson is President, is dissolved.

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN ;

25TH NOVEMBER, 1829.

Adverting to the reiterated Orders which have been issued relative to the Study of the Hindoostanee Language, and to the results of the late Examinations of Regimental Staff Officers, it would seem unnecessary for the Commander in Chief to repeat his sentiments on this subject—anxious, however, to be spared the pain of adding to the List of those removals which have been already made necessary by the failure of various Officers, His Excellency has directed the publication to the Army of the subjoined Memorandum exhibiting the course of examination which Interpreters and Adjutants are severally required to undergo, and in conformity with which the ordered examinations in January next are to be conducted.

INTERPRETERS.

From Interpreters a greater degree of correctness will be expected, in all particulars :—the Madras Grammar, however, being allowed in their Translations.

The Committees are to be composed as directed in General Orders of 22d September, 1828.

Their Reports are to be made separate for each Officer, and are to specify the particular exercises given.

Officers, other than Regimental Staff, desirous of being examined, are permitted to appear before these Committees, who will report upon them as above directed, and the same opportunity is offered to those Officers who have been removed from Staff Appointments in consequence of the former examinations.

Officers Commanding Divisions and Forces will direct the assembly of Committees as soon after the 1st of January 1830 as convenient, and will transmit the whole of the Reports on the completion of the examination of the Officers serving in their respective Divisions. They are at the same time to forward a Return accounting for the whole of the Regimental Staff, and such other Officers as have passed examinations, according to the subjoined Form.

G. O. BY GOVERNMENT.

Doubts having arisen as to the channel through which applications for Grants of Land situated within Forts and Military Cantonments should be submitted to the Government, the Right Honorable the Governor in Council is pleased to declare Paragraphs 34 to 42 of the Quarter Master General's Regulations to be still in force, with the exception of that part of the 37th Clause which restricts the terms of leases to a period of 21 years, and the portion of the 42d Paragraph, which, in reference to the General Order by Government of the 8th May 1812, prescribes the Military Board as the channel through which applications for Grants should be submitted to Government.

Applications for Grants of Land within the limits of Forts and Military Cantonments will be made hereafter, in the first instance to Officers Commanding, who on having satisfied themselves as to the propriety of each particular Grant, will forward the applications to the Quarter Master General of the Army, who having received His Excellency the Commander in Chief's orders, will submit them for the approval or rejection of Government. In the event of their being sanctioned, the resolution of Government will be communicated to the Military Board, by whom the usual Lease will be prepared.

To give proprietors of Land situated within Military limits a more permanent interest in the property, and a stronger inducement to construct good Houses, the Right Honorable the Governor in Council is pleased to declare, that grants shall hereafter be made for a period not exceeding 50 Years, and that they shall be renewable at the expiration of every 10th Year on the conditions of the original Deed, on payment of a small fine of Ten Rupees.

As it is desirable that all Grants of Land by the Government should be registered in one Office, it will be the duty of the Military Board, previously to the delivery of Leases for Land within Fortresses and Cantonments, to send such Deeds for Registry to the Office of the Register of Government Grants, who will return them without delay, with his countersignature attached, in acknowledgment of their having been recorded in his Office, making no charge for fees thereon.

This order is to be considered applicable to all Military Stations, with the exception of that on the Neilgherry Hills. The grants for buildings constructed there will receive the separate consideration of the Right Honorable the Governor in Council.
